

Shady or Legit? Website Evaluation Form

| <b>Website</b>                                 | <b>Shady or Legit?</b> | <b>Luke, I Am Your Father:</b> Can you tell who wrote the site and whether they are a legitimate and honest source of information? | <b>Cover Up!:</b> Does the site answer all the reasonable questions about your topic? Can you verify the info you see using other independent websites? | <b>Some Style with the Substance:</b> Does the website look professional and grammatically correct? Does the URL raise any warning signs? | <b>Bias Alert:</b> Do you spot anything that leads you to believe this site isn't totally objective, but has an agenda? |
